

Civilian Healthcare Opportunities

Now hiring healthcare professionals

Calian is always looking for qualified health care professionals to join our team. If you or someone you know is interested in learning more about Calian or our current openings, please visit our website at careers.calian.com or contact one of our recruiters at the email addresses listed below.

Explore openings for nurses, physicians, dentists, mental health professionals, physiotherapists, technologists, assistants, and allied health roles. Full-time, part-time, casual, and locum options are included where available.
